### *Message from your Chapter Director:* Ernie and Sue Sigyarto

With the great weather we've been having, it would not be a surprise to see many of us out riding. Don't forget to check those tires and fluid levels, especially the battery. The tires will lose some air just sitting and the battery will lose fluid especially hooked up to a charger. Some of you have been braving the early morning frost for the reward of riding home in the sun and on dry roads. We do however need to be especially careful since the four wheelers aren't use to seeing us out so early in the season. And, I've been hearing some not too welcome statistics with driver's attention while using the cell phone. All in all, the sun is so inviting, the dry roads are welcomed and the smell of the Daphne's is awesome.

As you can see by the enclosed articles, we've been quite busy this year. Additionally we've been bowling, joined for our first of the year Dinner Social and as of this writing, will have had our first game night of the year. As you remember, after our chapter Breakfast Meeting Social (BMS), we will be bowling in the Bowling Challenge. We expect to have visitors from Chapters B and G at our BMS. It should be a lot of fun. Also this month, the District will have the Rider Ed. Workshop. That's always a great opportunity to sharpen up our safety instincts. And, don't forget the Surf Watch, 4-6 March. We will be participating in the dinner pot luck on Saturday. We will be involved in the purchase of the food. So, please bring either a salad or dessert to share. If you haven't reserved a room, please do so, the phone number is in the calendar.

The Breakfast Meeting Social will be especially exciting as we will be announcing who your new CD's will be. We are so fortunate to have so many, so skilled, so eager to serve and so loved by so many. It'll be a great honor to introduce them to you. Your new CD's will be installed at our April Breakfast Meeting Social. Roy and Pearl will do the honors. In March, Sue and I will present a memento to each of our Staff. This way, the April Breakfast Meeting Social will emphasize your new CD's. Please try to attend; the person to correctly count the tears will get a free time check. Visualize a tear right here \_\_\_\_\_.

And finally, since we are still your CD's, we have the awesome responsibility to chose which of the four fantastic items we have for the 50 / 50 each month. I sure hope Sue and I don't turn into Lame Eagles for the next two months. The four items are a Resist All cleaning and protection kit, a leather key chain and money clip set, a helmet bag and a multi-wood eagle frame. We hope to see you all soon and often.

## After Chapter Meeting Ride

### **Flash! February 19<sup>th</sup> is the Bowling Challenge**

**By Jim Roberson**

OK, the time is drawing nigh for the clash of the titans otherwise known as the GWRRA Bowling Challenge. Getting set to compete for the glorious trophy and secondarily to enjoy the camaraderie, food and mirth are 10 bowlers from Chapter B, 10 from Chapter D, 10 from Chapter E (the gracious hosts), 8 from Chapter G, 8 from Chapter O and last but not least one from Chapter V (Could he/she be the winner?). We, the sailors of the concrete sea, will be there to gallantly fight to retain the championship and most assuredly have a grand time!

## Dinner Social

We will be going to the Olive Garden in Kirkland. Take the NE 124th exit and go west. The Olive Garden is on the south side of the street. (Or left side as you head west) Corner of 113th ave NE and NE 124th. The date is February 24th.....7pm.

## Rider Educator

### **Off to a Great Start**

**By Mark Caldwell, Chapter Educator**

In the area of Rider Education, we really kicked off 2005 with a great start. Before we even had our first breakfast-business meeting, we held a Road Captain course on January 8. As I wrote in last month's newsletter this course is about safe riding in groups as well as specific issues for leaders of those groups to consider. We had 9 participants who had a great time together and enjoyed some wonderful food that our hosts Bob & Thess Thurgood set out for us. Each participant already had experience being the lead bike in a group ride and so we were able to share many bits of wisdom gained from putting the course training into real-life practice. Thankfully everyone made the wise choice to come in their 4-wheel vehicles since the roads were covered in snow and ice.

At our breakfast meeting in January, we awarded new Level 1 Rider patches to John and Barb Smith. Barb rides her own motorcycle as well as being a co-rider behind John at times, so she insisted that she wanted to do the Level qualifications on her own as a rider. Congratulations to you both! We also renewed five people at Level 3 who are well on their way toward attaining Level 4: Master Tour Rider. Congratulations go out to Jim & Karen Roberson and Bob & Patty Spencer for their continued commitment to safe riding and the Rider Education levels program. (For those of you counting, I was number five.) On top of that,

we have several members who are already at Level 4 or above who continue to participate and be excellent examples for us all.

Also at the meeting, John Holter joined the Rider Education levels program at Level 1 and has already qualified for Level 2. Congratulations John! Several other members expressed their interest in starting their journey through the program, and I look forward to receiving their application forms at the next meeting. I will have extra forms for anyone who needs one.

Then after our normal business meeting, we had the treat of listening to our special guest speaker, David L. Hough (pronounced “huff”). David is the author of several articles and books on riding skills including *Proficient Motorcycling*, *More Proficient Motorcycling*, and *Street Strategies*. David did primarily a Q&A session for 90 minutes for our group, allowing everyone to get their questions answered. We had 37 members and visitors in attendance for this event and I received several comments and thanks from those present. David was kind enough to donate his time to talk with us and we asked him to bring some of his books for sale. I saw many members take advantage of the opportunity to purchase one or more of his books and get them autographed as well. The chapter purchased copies of *Proficient Motorcycling* and *Street Strategies* for the chapter Library. These can be borrowed by members of Chapter E by contacting the Educator.

Overall, I'd say that was a great start on our road of *Fun, Safety and Knowledge*. And remember that on Saturday, February 26, the Washington District Rider Safety Education Workshop will be held in Buckley. The pre-registration deadline is the day of our meeting, Saturday the 19<sup>th</sup>. We will have registration forms available. For those who attend, the chapter will reimburse you for the cost of the pre-registration fee. But you must attend to receive reimbursement. David L. Hough will be speaking at the workshop along with several other speakers on a variety of subjects. Let's all attend, and make it a fun day. And let's make this our safest and most enjoyable year of riding!

## Rides

### Casino Night, By Bob Spencer

You've got to know when to hold 'em, know when to fold 'em, know when to walk away and when to run". Evidently everyone from Chapter E that went to "Casino Night" took the advice of the Kenny Rogers' hit, "The Gambler" as we amassed quite a "war chest" for the ensuing auction.

This years Chapter I "Casino Night" at Camp Murry was another fun packed event, beginning with their traditional chili feed. Some of us were there for the chili, while others chose to stop and eat on the way to the event. Participating Chapter E gamblers were Ernie & Sue, Neal & Karen, Bob & Patty, Charlene, Dick & Ginny, Willy & Penny, John & Barb, Barb's mother Joyce, Dave & Anna, and Russell & Lee Ann. With

full bellies and pockets full of “Bull Bucks” we all found our way to our favorite Black Jack table and or dealers and proceeded to test our talent, or should I say luck, against the house.

After four hours of holding, folding, winning, losing, cheating and bribing, we all proceeded to the dessert tables, then found a place to sit down, count our winnings and prepare for the upcoming live auction. While some of us were luckier than others, we collectively managed to amass over \$19,000,000.00 (that’s million dollars) to spend at the auction. This year, we jumped into the bidding early and were able to secure several nice items for our chapter meeting 50/50 drawings. In the future, if you are lucky enough to win one of these items..... appreciate it, as you can bet that we paid several million dollars for it!

Unfortunately, at about 11:30PM, the auctioneer ran out of items, before we ran out of money and we had to throw away over 4 million dollars, which wasn’t pretty. Have you ever seen a grown man cry? It took John, Neal and I to hold Ernie down and pry the “Bull Bucks” out of his hands, then carry him in the fetal position, out to his car. We all had a great time and are looking forward to next year. Hey....we have a whole year to practice our “Black Jack”.....perhaps at our chapter game nights.
