September 2013 Gold Wing Road Riders Association Region I - WA District

"Friends for Fun, Safety and Knowledge"

Next Meeting: September 21st

Kenmore Lanes, Kenmore, WA

It seems that summer and our riding season has been so short, we can hardly believe that it is already September.

We were informed at our last meeting that August was the last month that the Crystal Creek Cafe would be able to host our monthly chapter meetings, since they were remodeling and converting the meeting room to a bar. After diligently looking for a suitable restaurant that would be able to provide breakfast for our group, we have successfully located the Kenmore Lanes in Kenmore, WA (please see page 6 for more details). Our after the meeting ride will be to NW Trek led by Bob Spencer. Please RSVP, so we know how many people plan on going. More details will follow in the Eagle Eye.

Hopefully everyone that is planning on going to Whistler has their room reservations. Caryl just spoke with the hotel and all of the rooms that were being held for us have been reserved. At this time there are no more rooms available.

The District Leadership Workshop is coming up on October 19th. Please see the registration form on page 16 of the Newsletter. Chapter E will reimburse any members that attend. You MUST attend to be reimbursed.

Our Annual Halloween Party will be on October 26th. Gordon and Kathy Bousman have graciously offered the use of their beautiful home for the party. Our members have such great imaginations, and sewing skills, we are **always amazed at the costumes! This year there is no "theme", so we can't wait to see what you come up with.**

We are still looking for a Newsletter Editor. Please don't be afraid to take the position because you don't think you can compete with the amazing newsletter that Gordon and Kathy have been putting out. We just need a basic newsletter...so if you have any desire to help us out and use your creative writing skills, please let us know.

Ron and Kathy Johnson will be in charge of our Dinner Socials starting in October. We are looking forward to **seeing what great places they find for us. September's Dinner Social will be at Goldberg's Deli in Factoria. Look in the Entertainment book for a coupon.**

We are excited to be working with Jim and Christy Pelican and the rest of the staff to keep Chapter E the great chapter that it is. **Bob and Patty have left us with a 'well-oiled-machine' and we can't thank them enough for all of the mentoring they have given us. We have such a great group of members and we want you to know that we are here to work as a team. We can't do this without you, so please let us know if you have any concerns or suggestions. This is YOUR chapter and we want everyone to feel welcome.**

THE EAGLE OOPS AWARD

Are We Lost?

The latest recipient of the Eagle Oops Award is Caryl Estes. She earned the award during the recent Harvest Run ride where she and Bill were leading the ride and she inadvertently broadcasted over the CB radio a minor disagreement over which next turn to take.

Rider Education

by Mike Briggs

Chapter E Rider Education

So some of you know that Eric Carlson and I took a little ride on Sunday, September 1st; 17 hours riding down to Redding, California and back. Really enjoyable and it gave me a lot of time to think. We were riding in quite warm conditions, 95 degrees in Redding and in the 80's through Oregon on the way back. Still, it was dark when we left and we started off with our cold weather gear on. I even had the grip heaters on for a while. Then I was reading Bill's blurb in the "Eagle Eye" about this week being the last summer dinner social! Oh ya, it really rained on my drive up to Mt. Vernon this morning. All that change in weather has got me thinking that we are slowly coming to an end of summer and fall is just around the corner.

Yep, fall will be here soon and with the autumn season the rain will begin, the leaves will fall, roads will get slippery and most will put their bikes away for winter.

So do I really want to talk about winter riding this month? Sort of, you need to be preparing for dark mornings, make sure your windshield and face shield are clean and not all scratched up. I recently replaced my face shield and I was a little surprised how clear everything was again! It sort of sneaks up on you. If you haven't used your cold weather gear or you use raingear and haven't had either out for a while, take a few minutes out in the garage to pull it out, check that all of the zippers work, the snaps are all still there, and that it hasn't shrunk since the last time you wore everything. The worst time to check that stuff is when you pull under an overpass and reach into the saddlebag for the *Frogg Toggs*® and you're missing the jacket... Or you go to plug in your heated vest and oops, no thermostat so you can't use it. So do take that couple of minutes this weekend or after work and check the gear! I have always felt that if I can stay warm and dry, riding in the northwest can be enjoyable anytime of year!

Don't worry, I do think you have quite a few dry days left before the snow flies!!!!!!!

Take the Long Road /\

Chapter E New Meeting Location

As most of you are aware, we found out last month at our chapter meeting that the Crystal Creek Café was remodeling and turning the banquet room into a bar and that August was our last meeting there. It threw us into a tailspin trying frantically to locate another place that met all of our criteria:

- Have a separate room large enough to accommodate all of us, with room to grow
- Have a varied Breakfast Menu
- Be available the 3rd Saturday of every month from 8-10AM
- Have plenty of free parking
- No further South than Bellevue and no further North than Bothell

Well...We FINALLY found that place!! Our Chapter E Meetings will be at **The Kenmore Lanes** in Kenmore (almost across the street from where we have our annual Christmas Party).

The Banquet Room has a separate entrance and has seating room for 100. It is huge! We now have room to display our "Stores", in an area that won't interfere with people eating. We can order off of the menu (and get a **10% Senior Discount** for anyone 55+). Here is the link to the menu: http://kenmore50lanes.com/AdvHTML Upload/documents/menu8_4_11.pdf

We really worked long and hard to find a place that would work well for our group and we think that once you see the room, you will be happy with this choice.

**Kenmore Lanes
7638 NE Bothell Way
Kenmore WA 98028**

We look forward to seeing all of you at our September 21st Chapter meeting at our new location!

Bill & Caryl

We're happy to announce the arrival of Dunlop's Dual Compound rear tire for the GL-1800 this month. What does it do? This tire incorporates the traditional softer compound at the edge of its tread but it introduces a longer wearing compound in the center section of the tread, promising to wear longer than the traditional Elite III tires. Yes, it costs about \$10.00 more...

Just a reminder that Mark Dalton will be painting at Everett Powersports on Sept 27 and Sept 28 in case you need some fresh decorations, helmet names or corrective work. Let me know if you need some time laid aside for Mark to work his skills.

We hope to see all of Chapter E at the Ride for Kids Sept. 8th!

Mike

Induction Ceremony of our new
Chapter E Chapter Directors Bill & Caryl Estes
and Assistant Directors Jim & Christy Pelican

When our lawn mower broke and wouldn't run, my wife kept hinting to me that I should get it fixed. But, somehow I always had something else to take care of first, the shed, the boat, making beer.. Always something more important to me.

Finally she thought of a clever way to make her point. When I arrived home one day, I found her seated in the tall grass, busily snipping away with a tiny pair of sewing scissors. I watched silently for a short time and then went into the house. I was gone only a minute, and when I came out again I handed her a toothbrush.

I said, "When you finish cutting the grass, you might as well sweep the driveway."

The doctors say I will walk again, but I will always have a limp.

I rear-ended a car this morning...the start of a REALLY bad day!

The driver got out of the other car, and he was a DWARF!!
He looked up at me and said 'I am NOT Happy!'
So I said, 'Well, which one ARE you then?'

That's how the fight started.

After retiring, I went to the Social Security office to apply for Social Security. The woman behind the counter asked me for my driver's License to verify my age. I looked in my pockets and realized I had left my wallet at home. I told the woman that I was very sorry, but I would have to go home and come back later.

The woman said, 'Unbutton your shirt'.
So I opened my shirt revealing my curly silver hair.

She said, 'That silver hair on your chest is proof enough for me' and she processed my Social Security application.

When I got home, I excitedly told my wife about my experience at the Social Security office.

She said, 'You should have dropped your pants. You might have gotten disability too.'

And then the fight started...

My wife sat down next to me as I was flipping channels.
She asked, "What's on TV?"
I said, "Dust."

And then the fight started...

Potato Soup

By: Kathy Bousman

INGREDIENTS

1 lb bacon, chopped	3 tbsp butter
2 stalks celery, diced	¼ cup all-purpose flour
1 onion, chopped	1 cup heavy cream
3 cloves garlic, minced	1 tsp dried tarragon
8 potatoes, peeled and cubed	3tsp chopped fresh cilantro
4 cups chicken stock, or enough to cover potatoes	Salt and pepper to taste

DIRECTIONS

In a Dutch oven, cook the bacon over medium heat until done. Remove bacon from pan and set aside. Drain off all but ¼ cup of bacon grease.

In the bacon grease remaining in the pan, saute the celery and onion until onion begins to turn clear. Add the garlic and continue cooking for 1 - 2 minutes. Add the cubed potatoes and toss to coat. Saute for 3 - 4 minutes. Return the bacon to the pan and add enough chicken stock to just cover the potatoes. Cover and simmer until potatoes are tender.

In a separate pan melt the butter over medium heat. Whisk in the flour. Cook stirring constantly for 1 - 2 minutes. Whisk in the heavy cream, tarragon and cilantro. Bring the cream mixture to a boil, stirring constantly until thickened. Stir the cream mixture into the potato mixture. Puree about ½ of the soup and return to the pan. Adjust seasonings to taste.
